

High Performance Foams

245 Woodstock Road / Woodstock, CT 06281-1815 / 860.928.3622 / Fax: 860.928.7843

January 7, 2011

To Whom It May Concern:

Thank you for your recent inquiry with respect to the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) legislation in Europe. We, with the aid of experts in the field, have given careful consideration to how REACH will affect the sale of PORON<sup>®</sup> Urethanes and BISCO<sup>®</sup> Silicones in Europe. The conclusion was that both families of products are Articles as defined in the legislation. Further, neither of our products contains any of the Substances of Very High Concern, SVHC, currently identified. Since both PORON and BISCO are articles and contain no SVHC's, they are exempt from registration under the requirements of REACH.

If I may be of any further assistance, please do not hesitate to contact me via e-mail at [gregory.waters@rogers-corp.com](mailto:gregory.waters@rogers-corp.com) or by calling 860-928-8803.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gregory J. Waters". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
